Dear Mrs. Chapman,

My sister & myself intend going to the Fair, & in compliance with your request in the Liberator, I write to say that we shall be among the forlorn damsels without a home in the city, our friends being too far both from Faneuil hall & Anti Slavery to entertain us on that occasion. We hope to contribute as many articles as usual this season, & also something for the refreshment table.

Very truly yrs,

Helen L. Thoreau
